I am	I'm trying to	But	Because	Which makes me feel
Student	Search for Important questions	popups ads	redircting to clone websites	Frustrated
Teacher	Research a paper	Alert Messages popup	Scammers trying to steal info	Disappointed
Content Creator	Opening the web platform or webpage	Unable to reach real page	URL constantly Changes	Infuriated
Businessman	Doing a payment	Error message and trys to redirect to another url	Redirecing to a clone webpage	Insecure
